

Antibody Datasheet

Product description:- Anti-USP51 (1 – 147 mouse)

Antigen:- GST-USP51 (1 – 147 mouse) [DU 40430]

Sheep Number:- S324D

Bleed Number:- Four bleeds tested, third and fourth bleeds work
[1st and 2nd bleeds do not work]

Formulation:- Phosphate Buffered Saline

Storage temperature:- -20 °C

Purification Method:- Affinity purified against GST-USP51 (1 – 147 mouse) [DU 40430] and then depleted against GST

Working Concentration: 1 ug/ml for immunoblotting
