

ANTIBODIES S879C MYPT3

1. Has this antibody been tested?

Yes: Yes No:

2. Has a data sheet been generated?

Yes: No: No

3. Does this antibody immunoblot 1-10ng of recombinant protein?

Yes: Yes No: Unknown:

4. Does this antibody immunoblot endogenous proteins in cell extracts?

Yes: No: Unknown: Unknown (band observed at right size on very high lysate concentration)

5. Does this antibody immunoprecipitate recombinant protein?

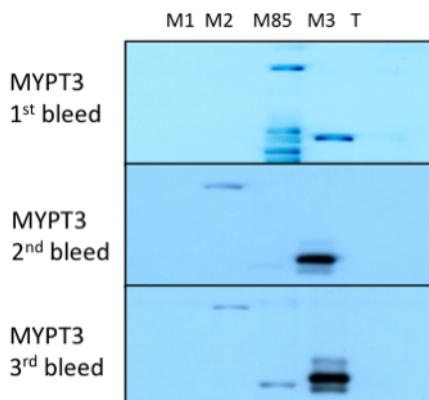

Yes: Yes No: Unknown:

6. Does this antibody immunoprecipitate endogenous protein?

Yes: No: No Unknown:

Slightly cross-reacts with MYPT2. Endogenous band at right size observed on loading high amounts of lysate.

293 cells transiently transfected with FLAG-MYPT isoforms

M1=MYPT1

M2=MYPT2

M3=MYPT3

M85=MBS85

T = TMAP
